Declaration of Tobacco Use or Non-Tobacco Use

INFORMATION ABOUT THE TOBACCO PREMIUM PROGRAM

As part of its efforts to support the overall health and wellness of UT SELECT Medical plan members, University of Texas System has implemented a tobacco premium program surcharge to discourage the use of tobacco. Beginning on September 1, 2012, members enrolled in the UT SELECT Medical plan will pay a monthly surcharge in addition to the premium normally charged for UT SELECT Medical plan coverage of $30 per month if they use tobacco. All members will be required to provide a declaration regarding their tobacco use as a condition of enrollment in UT SELECT. New members who use tobacco will begin to pay the additional charge on the first of the month following enrollment. The Tobacco Premium Program surcharge will be added to the UT SELECT premium that is deducted from your paycheck. All subscribing members are required to submit a declaration with regard to themselves and all of their covered dependents regardless of whether they use tobacco or not.

Premium surcharges are based on three categories: Member $30 per month; Spouse $30 per month, and Child(ren) $30 per month. The premium surcharge for a family where any covered dependent child uses tobacco is $30 regardless of whether other covered dependent children do not use tobacco. The maximum premium surcharge is $90 per family per month.

Members must declare if they are tobacco users. A “tobacco user” is defined by as a person who has used tobacco products within the past sixty (60) days. The sixty days are from the day this declaration is signed. Members who declare they are non-tobacco users must not have used tobacco products within the pasty sixty (60) days from the day this declaration is signed.

All types of tobacco products are included as part of the Tobacco Premium Program, including, but not limited to: cigarettes, cigars, pipes, all forms of smokeless tobacco (chewing tobacco, snuff, dip, or any other product that contains tobacco), clove cigarettes and any other smoking devices that use tobacco such as hookahs. E-cigarettes, which contain nicotine, are also included under the tobacco premium program.

More information is available about this program at www.utsystem.edu/benefits/medical/tobacco.htm.
